

HARC Advocacy Committee Meeting

3 October 2023

Present: Donna DeBlasio, Gail Rothrock

The meeting started at 10:00 AM at Le Madeline, King Street

- I. Board of Architectural Review 10/4/23 agenda
 - a. Gail Rothrock said there will be a concept review of 1604-1614 block of King Street, a case before them a few years ago but not built. The BAR had the first review of proposal to demolish a historic town house that is part of a row of townhouses and construction of large (five story) new building behind.
- II. Zoning for Housing
 - a. Gail downloaded the draft proposal summary prepared by Zoning for Housing that came out on October 2, 2023. Here is the link to their web site: To see the text of the draft summary, scroll down on their home page to where it says Draft Zoning Proposal and Master Plan Amendments and Housing Policy Updates; the first link opens a PDF for the draft proposal.
 - b. Gail also downloaded the summary developed by the Coalition for a Livable Alexandria, which offers an assessment of Zoning for Housing's draft proposal. It should be noted this assessment came out prior to October 2, 2023. Here is the link: <https://livablealexandria.org/zfh-campaign>. The link to the PDF of their assessment is at the bottom of the page.

The next ADVOCACY meeting will be on Tuesday November 14, 2023 at Le Madeline. The committee moved the meeting to avoid the conflict with Election Day.

The meeting adjourned at 11:00 AM
