DREAMING TOGETHER LEARNING FROM THE PAST SHAPING THE FUTURE!

Everybody should be treated fairly Black or white
and that was exactly what Dr. Martin Luther King Jr. was doing.
He wanted peace and equality for all, his most famous speech "I Have A Dream" moved millions
Black and white giving them the hope and courage to keep on going that is how amazing
Dr. Martin Luther King Jr. was. A great man the reason why black and white people can
live in harmony working together, fighting together, and most
of all, being together.

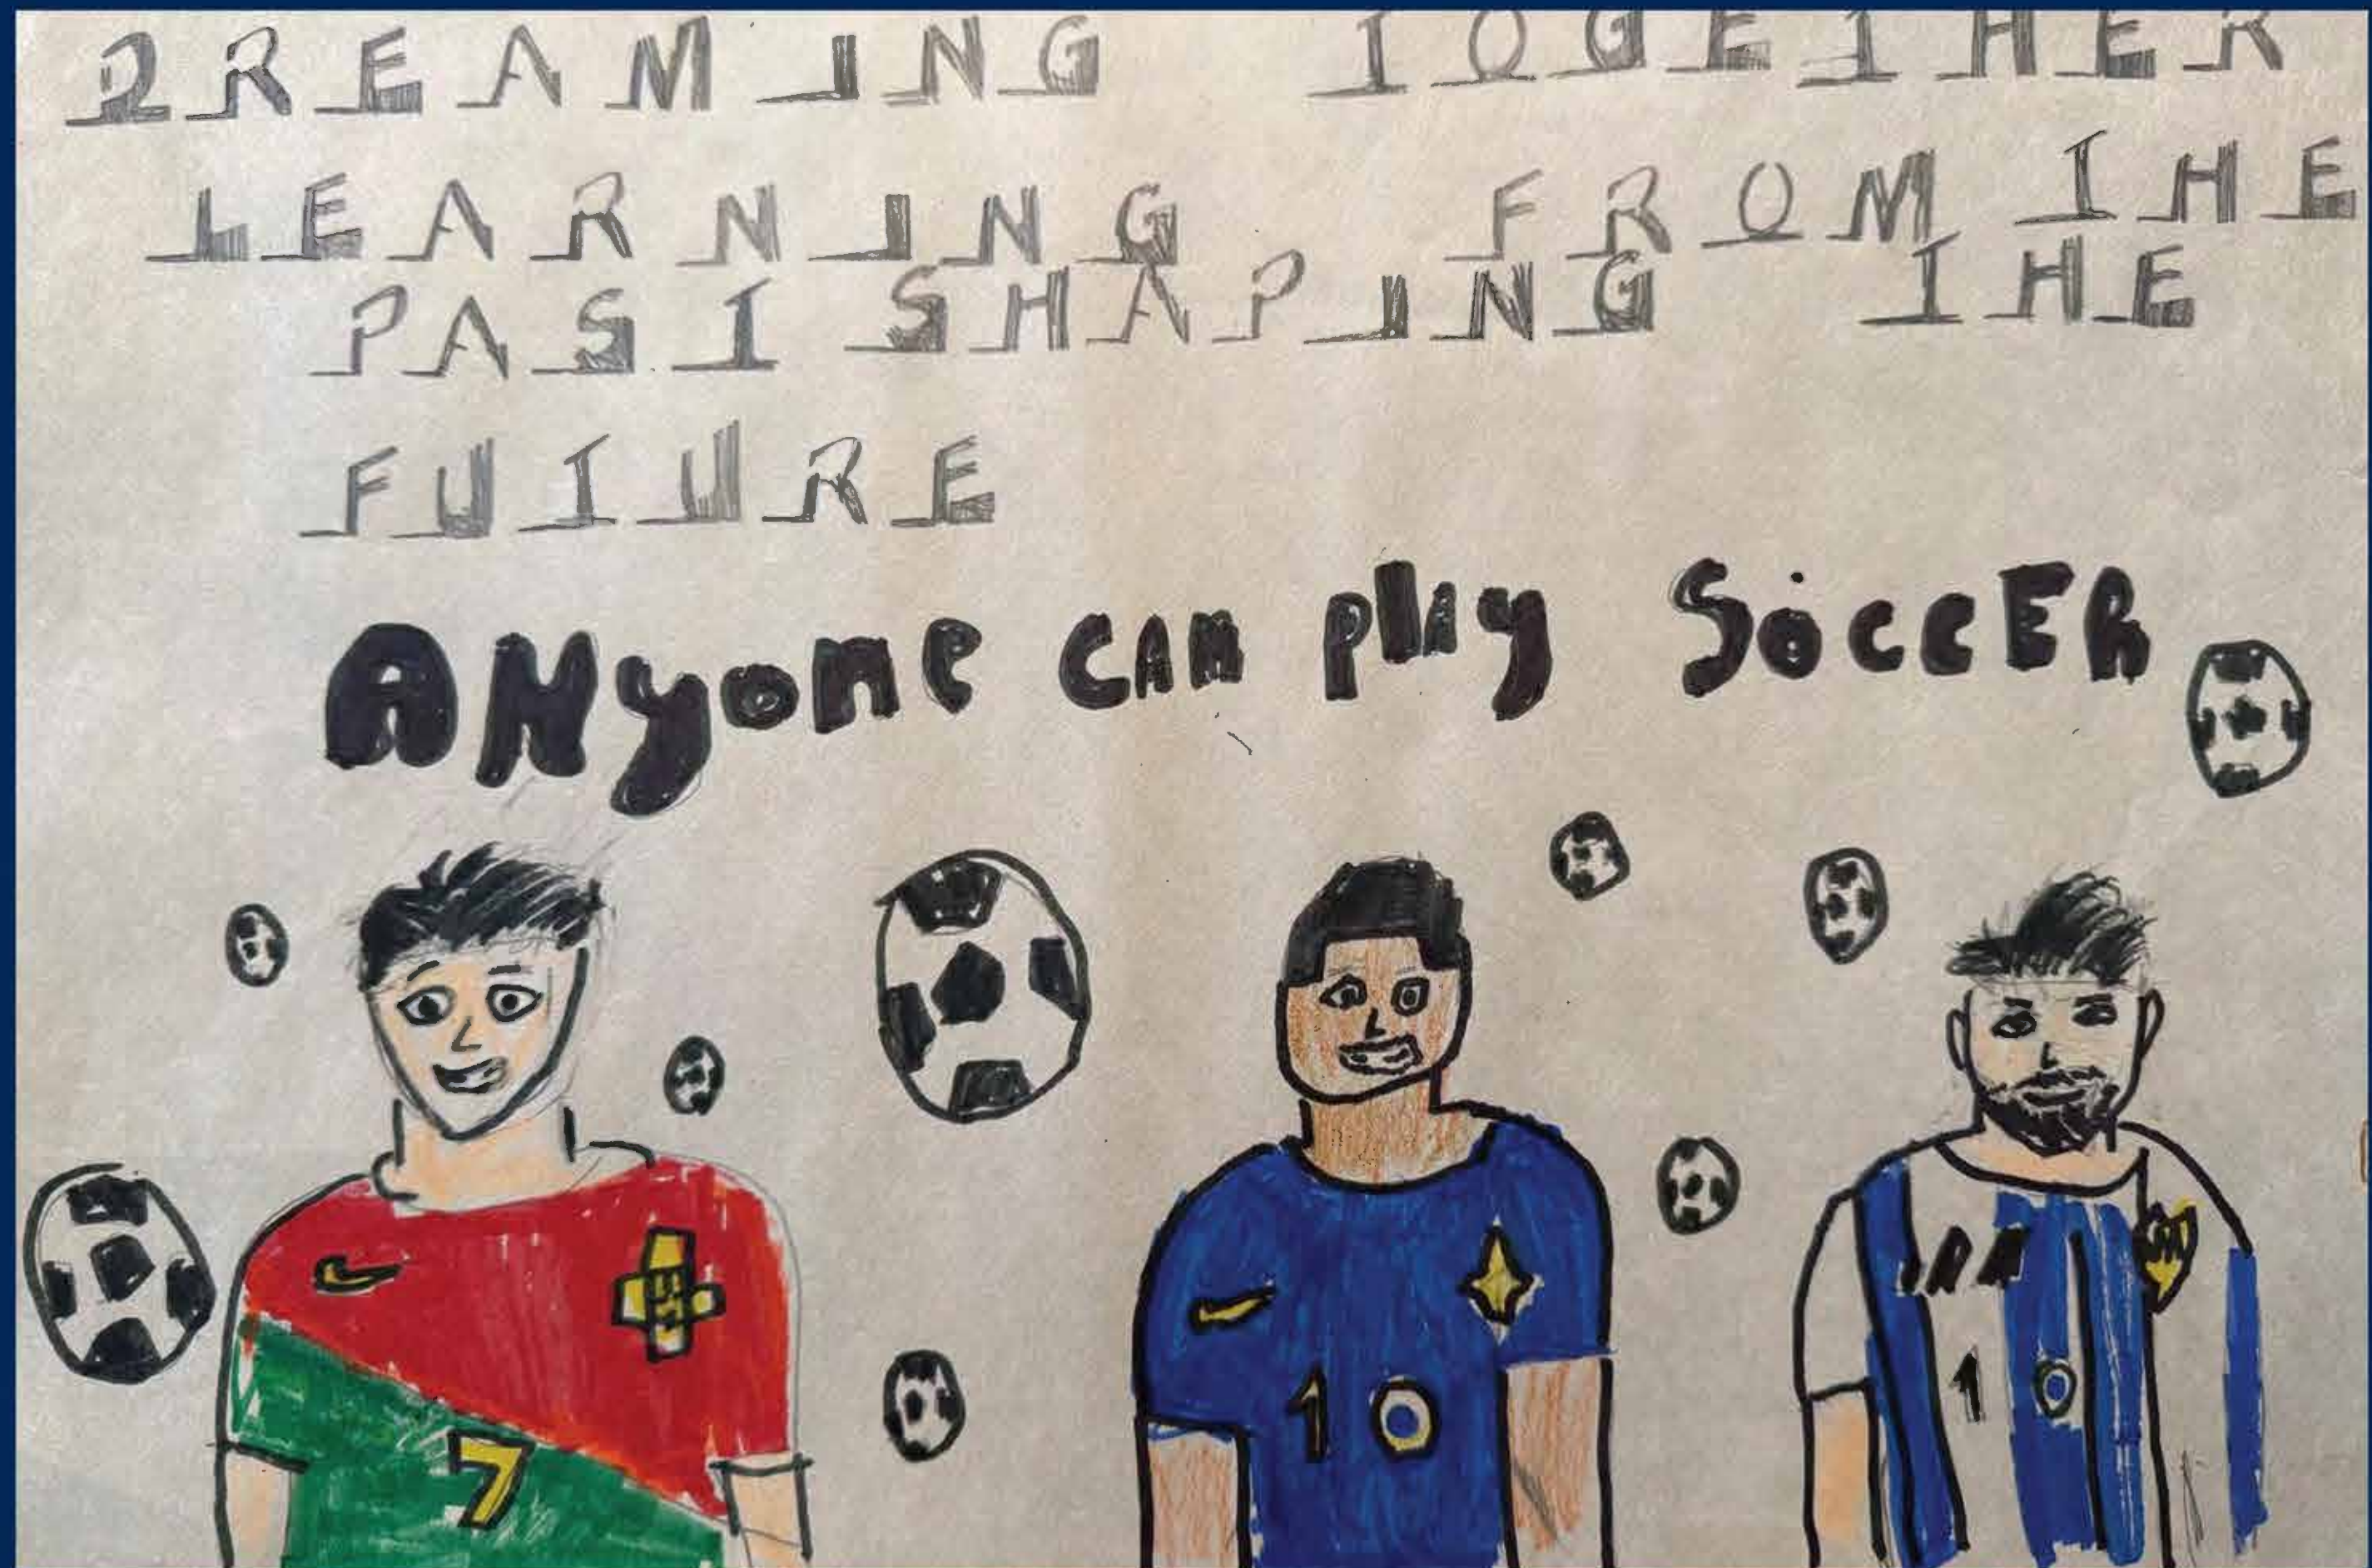

Dr. Martin's Dream

Dr. Martin's dream was that black and whites could have peace and live happily together his message
of that speech was to move people, move people so much that they would stop segregation, stop
discrimination, and stop the fighting to bring peace once and for all.
