Review and Approval of the Agenda – Michael Schuster

Review and Approval of the May 17, 2021 Minutes – Michael Schuster

Updates:

- 1. Presentation on Two New Affordable Housing Developments: Glebe/Mount Vernon Affordable Housing Project; Seminary Road Project**
(<https://www.housingalexandria.org/seminary>) – Jonathon Frederick, President and CEO, Alexandria Housing Development Corporation.
- 2. Planning for new Aging Friendly Plan (tentative)** – Jane King

This is a follow-up from our discussion last meeting. We need to look at the ideas from our last meeting, expand on them if there are more ideas, and spend some time deciding what additional information we might need to support any of the

ideas. In addition, we should come up with possible speakers for us to invite regarding our proposed housing priorities.

As a review, here is what we proposed as priorities at the last two meetings:

- Planning for a Mixed Income Affordable Assisted Living Facility – encourage, facilitate, and plan for a dedicated facility with various public and private partners.
- Public education regarding home modifications to increase accessibility. This could include publicity about and presentation of AARP’s Home Fit program.
- Increase funding for the Rent Relief program, as the Commission proposed two years ago.
- Educate about and advocate for more affordable housing for older residents, but with a better description of what the Commission means by affordable housing.
- Reduce the risk of homelessness among older residents, and the need for personal assistance with activities of daily living at homeless shelters (which is not currently available).
- Look at the NVAN platform for possible advocacy around real estate tax relief and assistance with homeowner association and condo fees.
- There needs to be an emphasis on racial equity in all goal areas.
- Develop publicity about accessory dwelling units
- Encourage home sharing and group homes
- Raise awareness of assistive living devices
