**Review and Approval of the Agenda** – Michael Schuster

**Review and Approval of the September 27, 2021 Minutes** – Michael Schuster

**Updates:**

- 1. Presentation on potential Senior Assisted Housing at Landmark Development**  
– <https://www.alexandriava.gov/LandmarkVanDorn> - Bob Eiffert and the Power Plant Project – Jan Macidull
- 2. Proposed goals for new Aging Friendly Plan** – Jane King and Michael Schuster

As a review, refer to the minutes for the September 27, 2021 meeting. Here is what we proposed as priorities at the last three meetings (Jane will provide an update from our last meeting's discussions):

- Planning for a Mixed Income Affordable Assisted Living Facility – encourage, facilitate, and plan for a dedicated facility with various public and private partners.
- Public education regarding home modifications to increase accessibility. This could include publicity about and presentation of AARP’s Home Fit program.
- Increase funding for the Rent Relief program, as the Commission proposed two years ago.
- Educate about and advocate for more affordable housing for older residents, but with a better description of what the Commission means by affordable housing.
- Reduce the risk of homelessness among older residents, and the need for personal assistance with activities of daily living at homeless shelters (which is not currently available).
- Look at the NVAN platform for possible advocacy around real estate tax relief and assistance with homeowner association and condo fees.
- There needs to be an emphasis on racial equity in all goal areas.
- Develop publicity about accessory dwelling units
- Encourage home sharing and group homes
- Raise awareness of assistive living devices
- Increase the awareness of residents of Naturally Occurring Retirement Communities (NORCs) and homeless shelters of available programs and services supportive of older adults and adults with disabilities.
