

PROJECT DISCOVERY

COLLEGE & CAREER READINESS PROGRAM

Since 1985, Project Discovery Alexandria (PDA) has helped over 2,000 students become the first members of their families to attend college, university or technical school

Workshops

Weekly motivational sessions with community leaders & mentors, college application support, college trips, and financial aid services

Scholarship Opportunities

PDA awards scholarships to graduating seniors and Alumni members while also providing support and access to other scholarships

Academic Planning

Preparing students for academic and non-academic challenges with individualized support tailored to their interest & needs

JOIN US!

Supporting high school students and their families with the inspiration to begin planning for college and secondary education opportunities
