STOP THE SPREAD OF COVID-19

FREE COVID-19 TESTING
IS AVAILABLE IN ALEXANDRIA!

COVID-19 symptoms can seem like other common illnesses. If you are not feeling well, or you have been around someone who has COVID-19, get tested. You can stop the spread to friends and loved ones.

WHEN TO GET TESTED:

- **If you have COVID-19 symptoms, get tested immediately**

- **If you have been exposed to COVID-19:**

  - **Fully vaccinated people** should get tested 5-7 days after exposure, and monitor themselves for symptoms for 14 days. If symptoms develop, get re-tested.

  - **Unvaccinated people** should be tested immediately, and stay away from others for 14 days. If the test comes back negative, get tested again 5–7 days after last exposure or immediately if symptoms develop during the 14 day quarantine.

WHERE TO GET TESTED:

- **Curative kiosks are free and don't require ID or insurance. Check availability of appointments online at curative.com**

  - **Charles Houston Recreation Center Kiosk, 901 Wythe Street**

  - **Ben Brenman Park Kiosk 4800 Brenman Park Drive**

  - **Mobile Van, 4109 Mt. Vernon Ave. King St Triangle, 1806 King Street**

WHILE WAITING FOR YOUR RESULTS, WEAR A MASK AND STAY AWAY FROM OTHERS.

- **Alexandria Library locations now offer free, rapid COVID-19 tests. Contact a library near you to check availability: alexlibraryva.org/locations**

- **Visit alexandriava.gov/Coronavirus or call the Alexandria COVID-19 Hotline at 703.746.4988 to find other testing locations.**
