Dear Delany:

Each year the Cosmopolitan Golf Club, whose membership consists of Negro Golf enthusiasts, sponsor a local tournament here in Los Angeles.

This year the affair was held July 2, followed by a very nice banquet. We contributed both a women's and a man's Metalist Trophy which was presented by Winzell Glenn of our Public Relations Department.

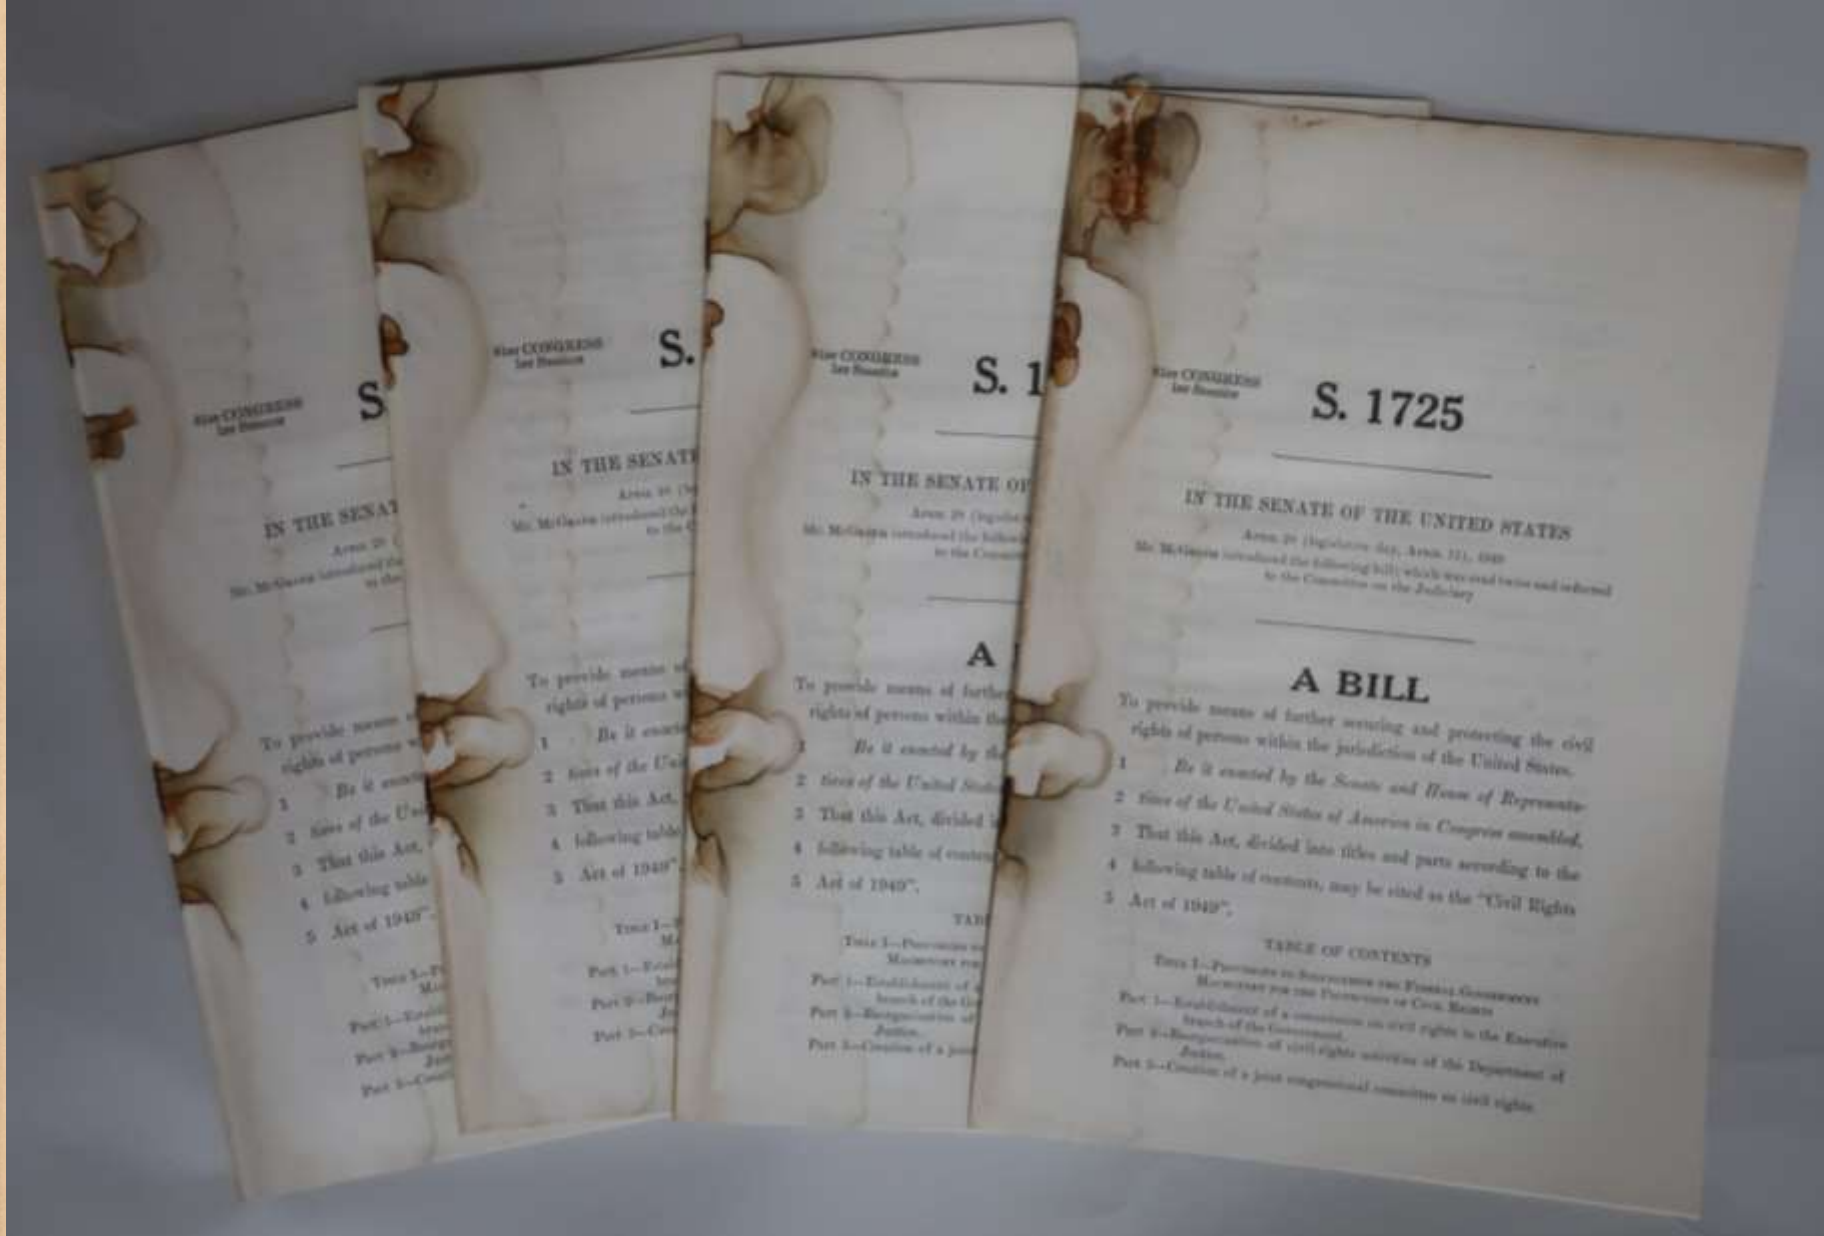

These are passed along to you merely as a matter of information in order that we might keep each other advised as to activities in this market.

Best personal regards.

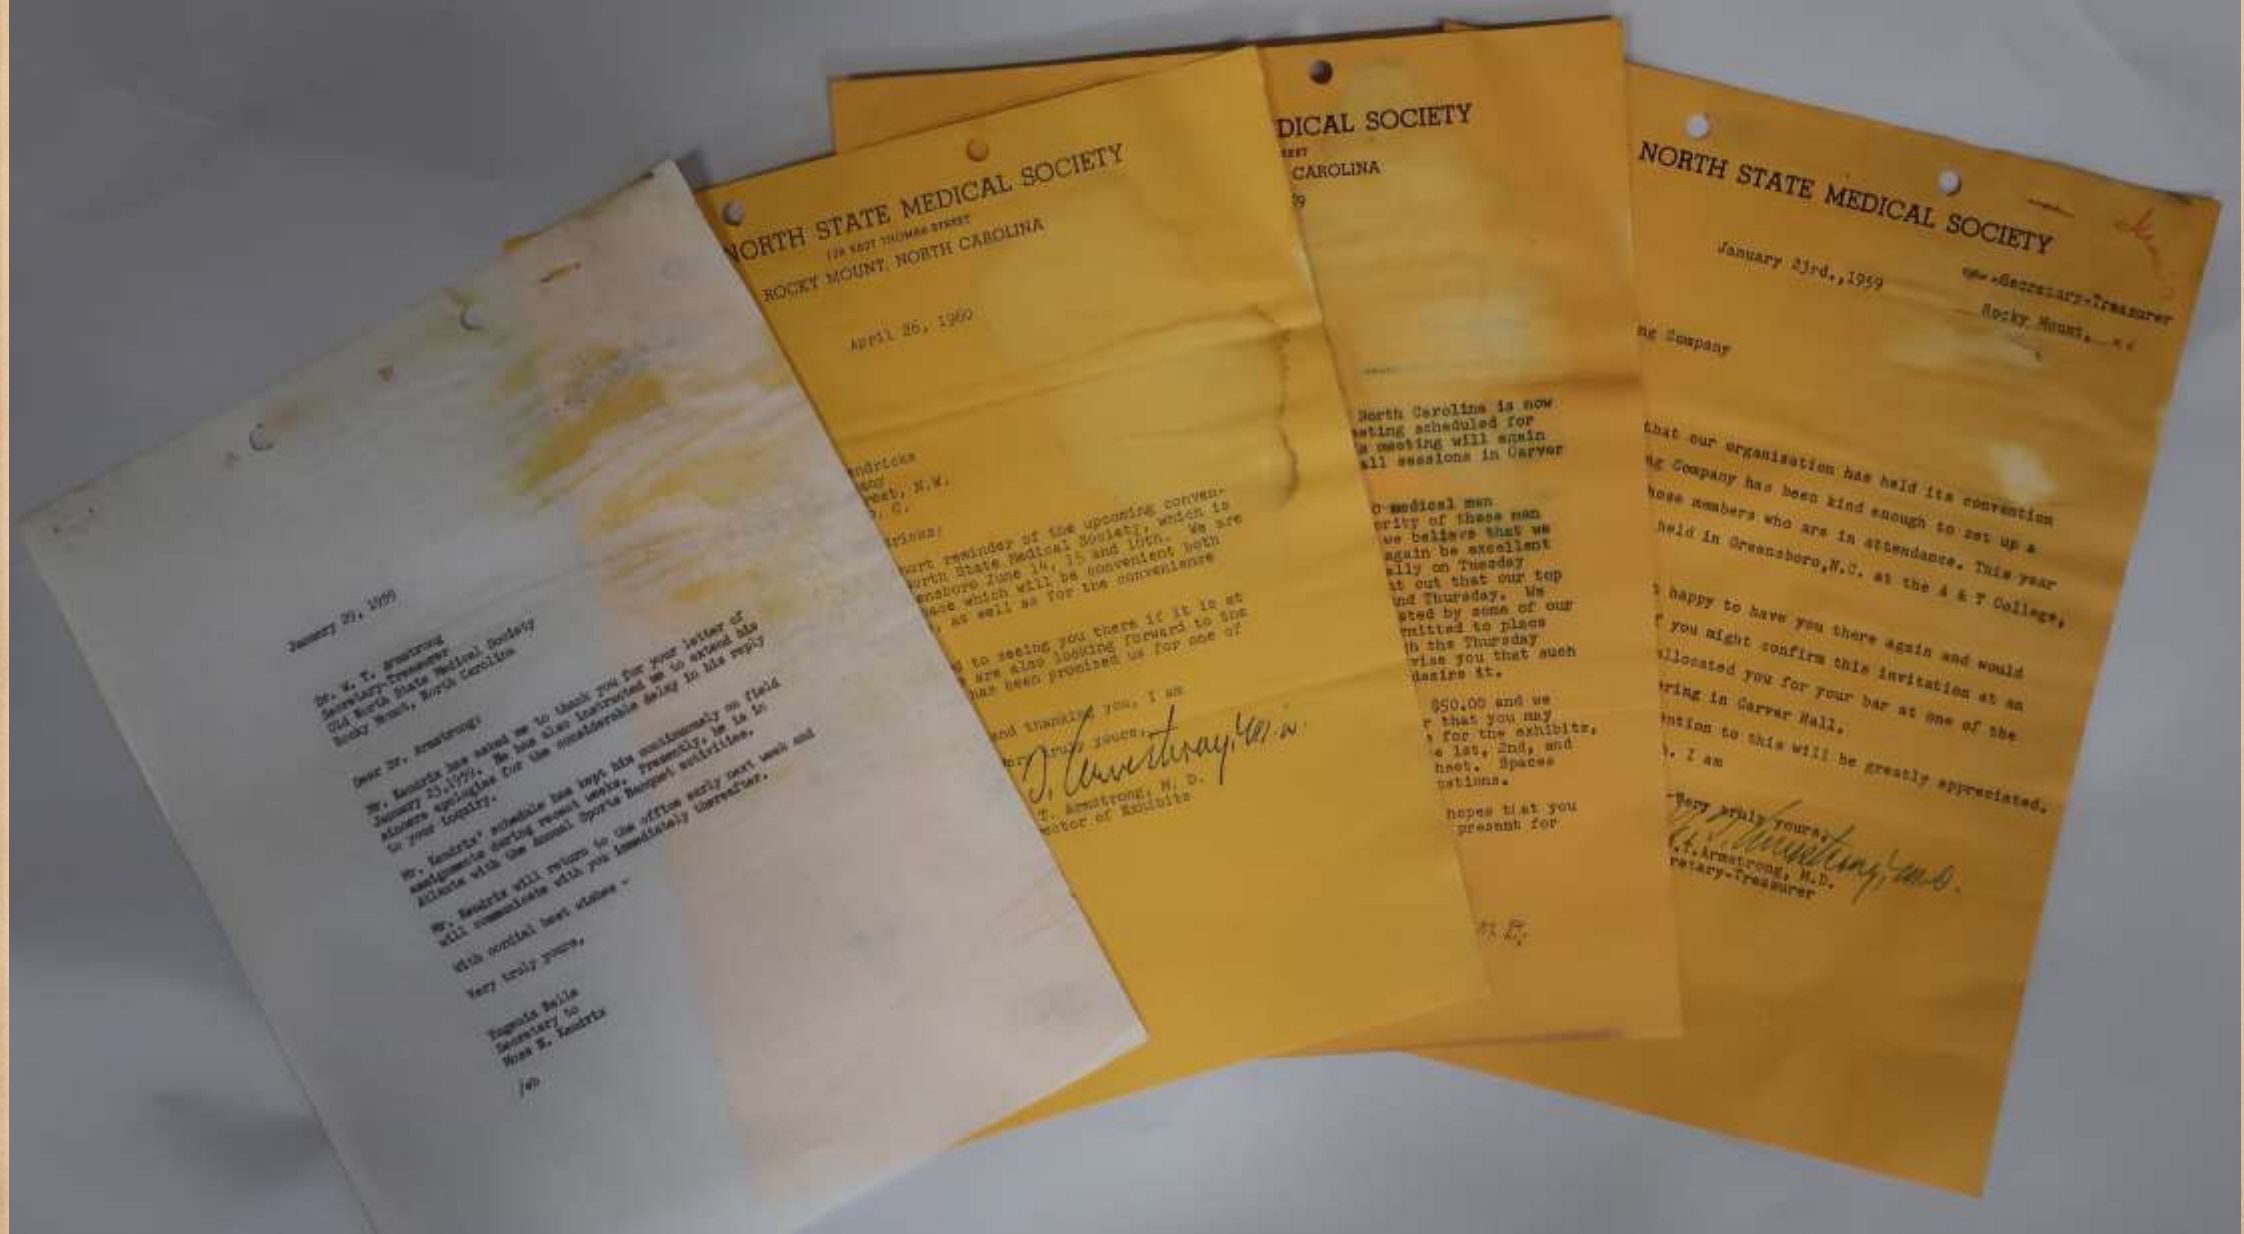

Cordially,
Rogers
