**HARC REPORT**

Barnes stated that VHR staff told HARC that comments on 617/619 S. Lee need to be sent to the BAR, not them. The state holds the final say on the matter and looks likely to approve an amended proposal. Trozzo noted that in the new legislative package for Alexandria, there is a proposal to have VHR notify local jurisdictions when it entertains a proposal under one of its easements involving a property in that jurisdiction.  
The HARC Ad Hoc Committee is meeting about 617/619 S. Lee on Dec. 7.
