

Name: _____

How TRANSPORTATION has Changed

The way we move goods and ourselves around the world has changed a lot over the years.

1. Label each form of transportation correctly: **car**, **airplane**, **train**, or **ship**.
2. Put these four types of transportation in chronological order, labeled **1**, **2**, **3**, and **4**. The oldest type of transportation should be labeled **1**, and the newest should be labeled **4**.
