Aetna Navigator[®] Member Website

The edge you need to make the most of your dental plan

When you're an Aetna member, you get tools and resources to help you easily manage your dental benefits. All of your plan information and cost-savings tools are in one place — your Aetna Navigator member website.

When you sign up and use it, you're not just a member, you're **a navigator**.

Navigators have know-how

Navigators are smart about their dental care. Once you're a navigator, you can easily:

- **Find a dentist near you — and save money.** Locate in-network dentists who accept your plan.
- **See what you owe.** Look up claims to see how much the plan paid and what you may have to pay.

- **Know your plan.** Check who is covered by your plan and what it covers.
- **Get costs *before* you go.** See estimates for common dental procedures based on your dental insurance plan before your visit.*
- **Check your spending account.** Easily look up your flexible spending account status, account balance(s), payment details.

Smart tools and technology to help you make better choices about your dental health.

*For Dental PPO/PDN members only.
