

Braddock Implementation Advisory Group At-Large Positions
Vacancy Replacement Process
Revised/Effective: April 14, 2016

On April 14, 2016, members of the Braddock Implementation Advisory Group (IAG) voted to revise the group's at-large vacancy replacement process to be consistent with other City advisory groups as described below.

The Braddock Implementation Advisory Group (IAG) was established by the City Council in January 2009 to partner with staff in implementing the recommendations of the 2008 Braddock Metro Neighborhood Small Area Plan. The group plays an important role in providing feedback on implementation priorities and projects. The 22 members include representation from the following areas:

At-Large Slots:

- Residents of the Braddock Road Metro Station Small Area Plan Area, who have experience or interest in areas of importance to the plan, such as historic preservation, schools, transportation, parks, housing, urban design or community activism (6)
- Retail Representative (1)
- Local/Small Business Representative (1)
- Area Developer (2)
- Non-Profit/Church Representative (1)
- Architect /Historic Preservation/ Design Expert (1)

Designee Slots:

- Public Housing Liaison, including Alexandria Redevelopment and Housing Authority representative (2)
- Braddock Lofts Homeowners Association (2)
- West Old Town Civic Association (merged with Inner City Civic Association) (3)
- Northeast Citizens Association (1)
- Braddock Metro Citizens' Coalition (2)

When there is a vacancy for a designee slot, the respective group selects a new representative to the Braddock IAG. When there are vacancies among the "at-large" slots – those that represent an interest but not tied to a group – the IAG agreed during an April 14, 2016 business meeting that:

- City staff will initiate a public process to solicit nominations (via E-News, project webpage, other public outlets).
- Nominations are to be accompanied with an application and a resume or biography of the nominee.
- City staff will compile a list of nominees from the nomination submissions.
- City staff will provide the slate of nominees with application materials to the City Manager.
- The City Manager will select the replacement from the nominees and appoint the replacement to the at-large vacant slot.
