SUBJECT: Braddock Implementation Meeting

Hi Veronica. The meeting last evening was very informative for me and I hope useful for you and the Planning & Zoning Dept. As I recommended last evening, for future meetings it would be terrific to have the agenda composed to reflect the P&Z action schedule along with the questions you want the group to discuss and respond to. It might also be helpful to have the dates of the meetings scheduled through the remainder of the calendar year. Just a few thoughts. Have a great holiday weekend. Take care.

Good Morning Glenn,

Thank you for your email. These are excellent suggestions that I will share with my colleagues. The meeting was very useful for us to get direction from the community on how to tackle the issues that Council has asked us to address.

Warmly,

Veronica
