## *Parks and Recreation Needs Assessment Survey*

### **Executive Summary Report**

---

#### **Overview of the Methodology**

ETC Institute conducted its third Parks and Recreation Needs Assessment Survey for the City of Alexandria during July and August of 2015. The first two surveys were conducted in 2011 and 2013. The purpose of the survey was to help establish priorities for the future development of parks, recreation and cultural facilities, programs and services within the community. The survey was designed to obtain statistically valid results from households throughout the City of Alexandria. The survey was administered by a combination of mail, phone, and online.

A seven-page survey was mailed to a random sample of 6,000 households throughout the City of Alexandria. Approximately three days after the surveys were mailed; each household that received a survey also received an automated voice message encouraging them to complete the survey

The goal was to obtain a total of at least 600 completed surveys. This goal was far exceeded, with a total of 656 households completing the survey. The results for the random sample of 656 households have 95% level of confidence with a margin of error of +/-4.1%.

The following pages summarize major survey findings.

## Major Survey Findings

- **A Good Percentage of Households Have Visited City of Alexandria Parks.** Eighty-five percent (85%) of households have visited parks/open spaces operated by the City of Alexandria during the past 12 months. This is up 3% from the 2013 survey.
- **Good Rating Remains High on the City of Alexandria Parks.** Of the households that have visited City of Alexandria parks/open spaces during the past 12 months, 28% rated the parks/open spaces they've visited as "excellent", and 57% rated them as "good". An additional 14% of households rated the parks/open spaces as "fair", and only 1% rated them as "poor". Excellent ratings have increased 5% from the 2013 survey.
- **Participation in City of Alexandria Recreation Programs.** Fifty-two percent (52%) of households have participated in recreation programs offered by the City of Alexandria during the past 12 months. Based on the percentage of respondents who have participated in programs offered by the City, 48% have participated in *two to three programs*. Other amounts of participation include: one program (23%), four to six programs (22%), seven to ten programs (6%), and eleven or more programs (1%). Participation in programs is up from 48% in 2013.
- **Satisfaction with the Program Services Provided by the City of Alexandria.** Based on the percentage of respondents who have participated in programs offered by the City, 86% indicated they are either "very satisfied" (30%) or "satisfied" (56%) with the *location of programs*. Other major categories with similar levels of satisfaction include: times programs are offered (83%), facility safety (81%), quality of the facility where program is offered (80%) and fees charged for value received (74%).
- **Quality of City of Alexandria Recreation Programs.** Of the households that have participated in City of Alexandria recreation programs during the past 12 months, 27% rated the quality of the programs as "excellent", and 63% rated them as "good". An additional 10% of households rated the programs as "fair", and 0% rated them as "poor". Excellent rating is down from 33% in 2013.
- **Respondents Are Generally Satisfied with the Aesthetic Appearance and Quality of Alexandria's Public Lands:** Based on the percentage of respondents, 78% of respondents were either very satisfied (21%), or satisfied (57%). Other ratings of the aesthetic appearance and quality are: neutral (14%), dissatisfied (6%), and very dissatisfied (1%).

- **Ways Households Learn About City of Alexandria Department of Recreation, Parks and Cultural Activities.** The most frequently mentioned ways that households learn about services offered by the City of Alexandria Department of Recreation, Parks and Cultural Activities are: from friends and neighbors (42%), City of Alexandria website (37%), newspaper (36%), and internet search (32%). Schools and ACPS communications are up 4% from 2011 and 2013.
- **Awareness that the City of Alexandria Operates a Public Art Program:** Sixty-six percent (66%) of respondents were unaware that the City of Alexandria operates a public art program. Other ratings of awareness are: somewhat aware (26%), and very aware (8%).
- **Ways Households Travel to the Parks and Recreation Facilities.** The most frequently mentioned ways that households travel to the parks and recreation facilities they use are: car (87%), bike (78%), and walk (37%).
- **Support for the City of Alexandria Partnering With Neighboring Jurisdictions:** Fifty-four percent (52%) of respondents are either very supportive (31%), or somewhat supportive (21%) of the City of Alexandria partnering with neighboring jurisdictions on the development of a 50 meter pool at Long Bridge Park. The remaining respondents were not sure (29%) or not supportive (19%).
- **Parks, Recreation, or Cultural Facilities Households Have a Need For.** The parks, recreation, or cultural facilities that the highest percentage of households have a need for are: walking paths (89%), natural areas and wildlife habitats (71%), biking trails (67%), open lawns and landscape (65%), picnic shelters/areas (57%), marina/waterfront (56%), and outdoor leisure/recreational swimming pool (55%).
- **Walking Paths Are By a Wide Margin the Most Important Parks, Recreation, or Cultural Facilities to Households.** Based on the sum of their top four choices, the parks, recreation, or cultural facilities that are most important to households are: walking paths (56%), biking trails (35%), natural areas and wildlife habitats (27%), and playgrounds (23%).
- **Farmers Market and Cultural Special Events Are the Top Two Most Needed Recreation and Cultural Programs.** The recreation and cultural programs that the highest percentage of households have a need for are: farmers'/outdoor markets (82%), cultural special events (75%), partnership/volunteer opportunities (50%), adult fitness and wellness programs (49%), and nature programs/environmental education (47%).

- **Cultural Special Events Are the Most Important Recreation and Cultural Program to Households.** Based on the sum of their top four choices, the recreation and cultural programs that are most important to households are: farmers'/outdoor markets (50%), cultural special events (45%), adult fitness and wellness programs (20%), youth learn to swim instruction (16%), and partnership/volunteer opportunities (16%).
  
- **Recreation and Cultural Programs That Households Participate in Most Often.** Based on the sum of their top four choices, the recreation and cultural programs that households participate in most often are: farmers'/outdoor markets (54%), cultural special events (41%), youth learn to swim instruction (12%), and youth athletic leagues (10%).
  
- **Importance of Actions the City of Alexandria Could Take to Improve Recreation, Parks and Cultural Activities Services:** Based on the sum of respondents' selection of "very important" or "somewhat important", 88% indicated it is important to *improve existing neighborhood parks*. Other purposes with similar levels of importance include: improve existing walking, hiking and biking trails (85%), develop new walking, hiking and biking trails (81%) and purchase land to preserve natural areas, wildlife habitats and views (72%).
  
- **Actions That Could be Taken That Respondent Households Would be Most Willing to Support With Their Tax Dollars.** Based on the sum of their top four choices, the actions respondents would be most willing to support include: improve existing neighborhood parks (49%), improve existing walking, hiking and biking trails (44%), develop new walking, hiking and biking trails (37%), and purchase land to preserve natural areas, wildlife habitats and views (37%).

## National Benchmark Comparisons

- **Visitation and Rating of Parks:** Visitation remains comparable to previous years and is 6% higher than the national average of 79%. Although households are rating the quality of parks at a higher excellent rating 28% compared to 23% in previous years, there is still room to improve with the national average at 31%.
- **Participation and Rating of Programs:** Programs participation remains high at 52% which is a significant increase of the national average of 34% participation rates. Households rating the overall quality of programs as good remains high at 63% compared to the 53% national average, however, there is room to increase excellent ratings with Alexandria rating 27% compared to national benchmarks at 35%.

**Section 3**  
***National Benchmark Comparisons***

---

## **National Benchmarking**

*Since 1998, Leisure Vision (a division of ETC Institute) has conducted household surveys for needs assessments, feasibility studies, customer satisfaction, fees and charges comparisons, and other parks and recreation issues in more than 400 communities in over 45 states across the country.*

The results of these surveys has provided an unparalleled data base of information to compare responses from household residents in client communities to “National Averages” and therefore provide a unique tool to “assist organizations in better decision making.”

Communities within the data base include a full-range of municipal and county governments from 20,000 in population through over 1 million in population. They include communities in warm weather climates and cold weather climates, mature communities and some of the fastest growing cities and counties in the country.

*“National Averages” have been developed for numerous strategically important parks and recreation planning and management issues* including: customer satisfaction and usage of parks and programs; methods for receiving marketing information; reasons that prevent members of households from using parks and recreation facilities more often; priority recreation programs, parks, facilities and trails to improve or develop; priority programming spaces to have in planned community centers and aquatic facilities; potential attendance for planned indoor community centers and outdoor aquatic centers; etc.

*Results from household responses for the City of Alexandria were compared to National Benchmarks as well as compared to 2011 and 2013 benchmarks in order to gain further strategic information.* A summary of all tabular comparisons are shown on the following page.

**Note: The benchmarking data contained in this report is protected intellectual property. Any reproduction of the benchmarking information in this report by persons or organizations not directly affiliated with the City of Alexandria is not authorized without written consent from Leisure Vision/ETC Institute.**

***Importance-Unmet Needs Analysis***

---

---

# Alexandria, VA

## Importance-Unmet Needs Matrix

---

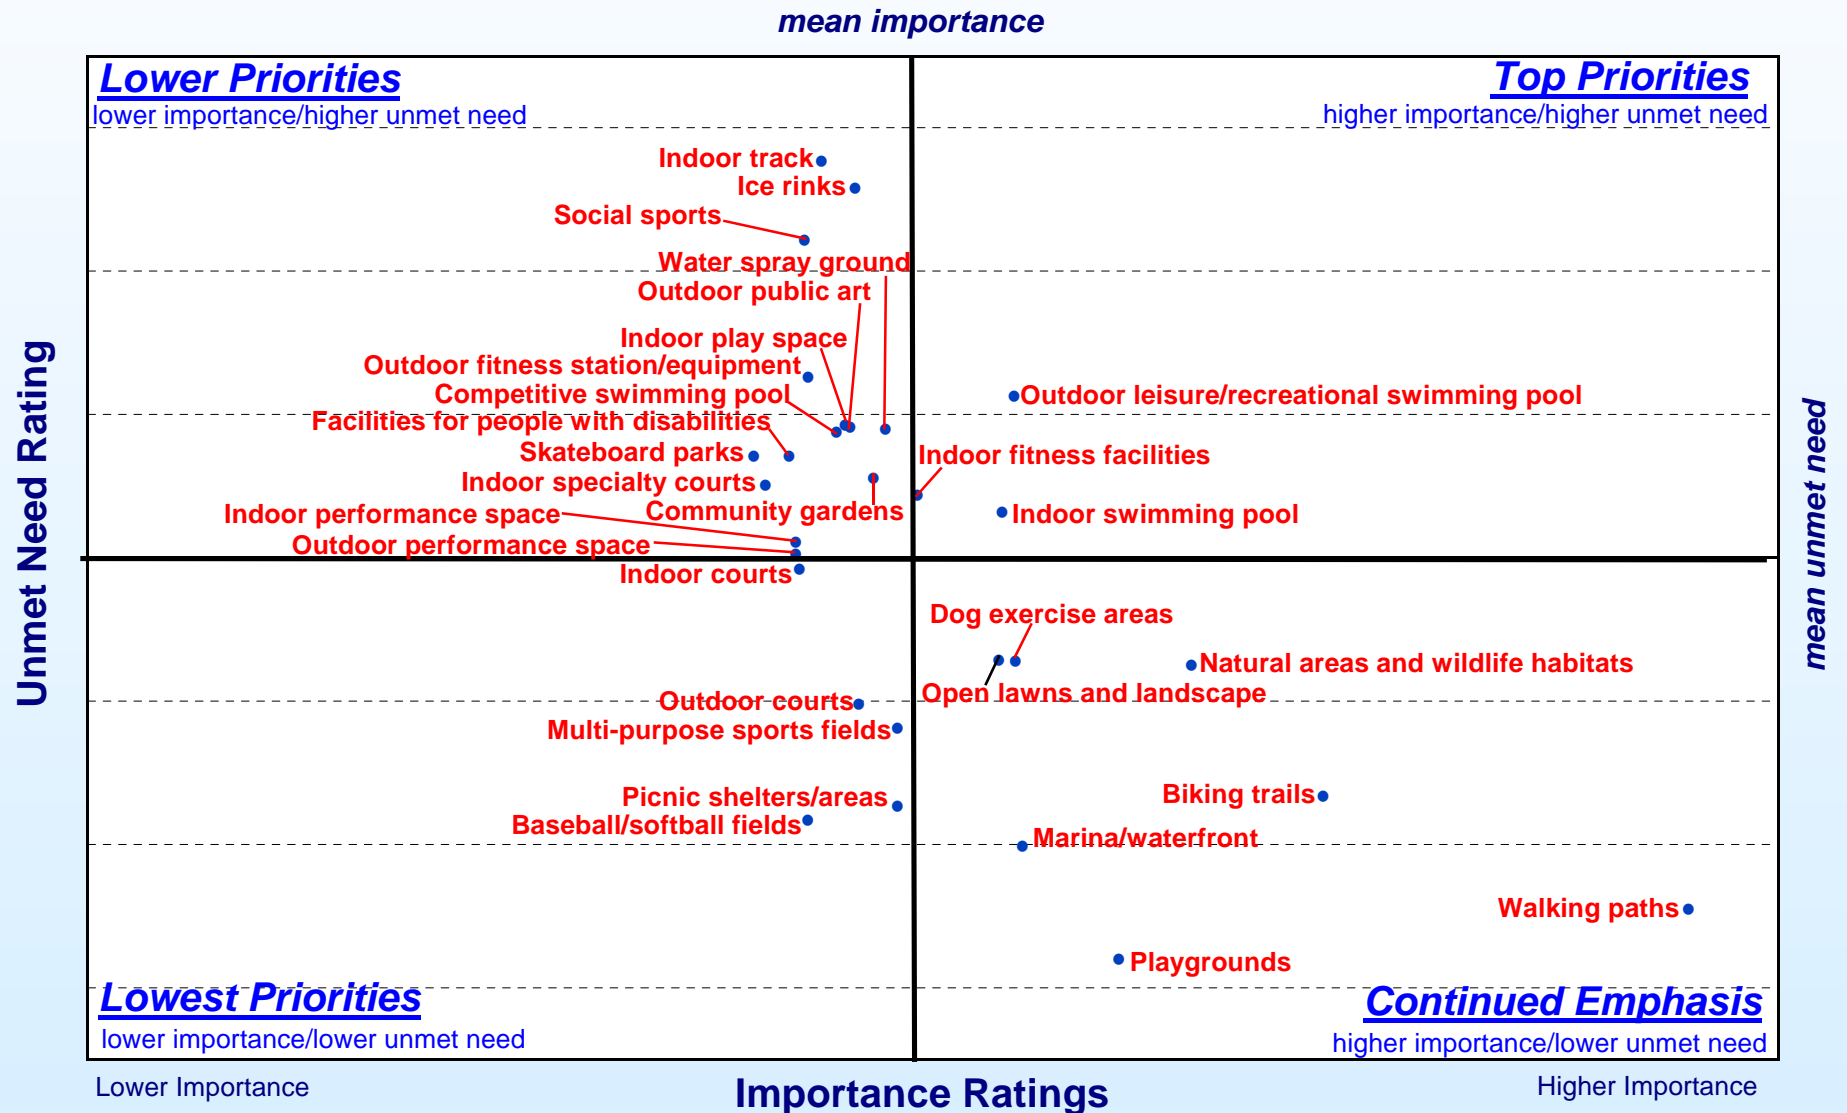

The Importance-Unmet Needs Matrix is a tool for assessing the priorities that should be placed on parks and recreation facilities and programs in Alexandria, based on results from the statistically valid citizen survey. Each of the parks and recreation facilities and programs that were assessed on the survey were placed in one of the following four quadrants:

- **Top Priorities** (higher importance and higher unmet need.) Items in this quadrant should be given the highest priority for improvement. Respondents placed a high level of importance on these items, and the unmet need rating is high. Improvements to items in this quadrant will have positive benefits for the highest number of Alexandria residents having unmet needs in facilities and programs that are of high importance.
- **Continued Emphasis** (higher importance and lower unmet need.) This quadrant shows where the City is doing an excellent job in providing facilities and programs of higher importance resulting in unmet needs being lower. It is of great importance that continued emphasis be given to these facilities and programs so that unmet needs do not increase.
- **Lower Priorities** (lower importance and higher unmet need.) Respondents placed a lower level of importance on these items, but the unmet need rating is relatively high. Items in this quadrant are often times indicative of facilities and programs that are important to a smaller percentage of city respondents, with those respondents having a higher unmet need. A lower level of investment should occur in this quadrant than in either the Top Priorities or Continued Emphasis Quadrants.
- **Lowest Priorities** (lower importance and lower unmet need.) Items in this quadrant should receive the lowest priority for improvement. Respondents placed a lower level of importance on these items, and the unmet need rating is relatively low. This does not mean that no investments should occur for facilities and programs in this quadrant, but the investments need to be proportional to the lower importance and lower unmet need.

The following page contains the Importance-Unmet Needs Matrix for all parks and recreation facilities and programs that were assessed on the survey:

**Section 7**  
***Question 24 Open-Ended Comments***

---

## Overview

At the end of the survey, respondents were given the option of providing written comments to Question 24, *“Please share any additional comments that can assist the City of Alexandria Department of Recreation, Parks, and Cultural Activities in improving services to you and your household.”*

While the results in this section are not statistically valid, they provide useful insights for interpreting the reasons behind citizens’ survey responses. The results were recorded verbatim, so spelling and grammatical errors have not been corrected.

- More covered outdoor recreation areas.
- Taxes are already too high. Efficient and sensible use of current funds to fix the parks and recreation system is very important to us. Can we use volunteer residents to help with certain services so we can hold down costs?
- We would like to see less fences throughout the parks, keep spaces open. We would like dog agility equipment in dog park and more natural elements.
- My only concern is the road has to be fixed. Duke street needs a lot of attention.
- Please continue to maintain the restrooms at the parks. The cleanliness is very much appreciated. More shade at the parks. Plant more trees, please.
- Putting the aquatic facility in Crystal city would mean our family would not use it as traffic and parking are very difficult in that area.
- Playgrounds need more shade. Please check out [TheShadeProject.com](http://TheShadeProject.com). Nonprofit group.
- Please more natural spaces and environmental programming. We need green spaces.
- Have something for older people so they can have confidence.
- Need to do something about the increase in criminal activity, It worries me to do outside activities with fear for our safety. Improve sidewalks please.
- A little improvement goes a long way. Some of the plans are over the top. More green, less concrete please. Landscape-emphasize land not walls and circular designs and such.
- Special interest in historic sites, not in this survey.
- Safe and update parks and programs are important to us.
- Need more exercise classes for 50+, not during normal business hours. Ideally between 6-7 am or pm.
- Indoor/outdoor tracks in Arlington have been refurbished with the cushy substance that is easier on knee joints and feet. I would like Alexandria to invest in this upgrade. I go to Arlington every day to walk due to this reason. There is disparity of access to services and quality of facilities throughout Alexandria. We need to improve for all not being served adequately. Fee for conference room at Mt Vernon Rec, way too high (150). We went elsewhere due to the high fee.
- Partner with National parks to turn the field at Jones Point into a dog park.

- Biking lanes on streets are most important to me.
- The city opens new parks but does not take care of existing ones.
- Love the city square farmers market and going on walks in and around Old Town.
- We were disappointed that the Del Ray Music Festival did not happen. Eager for renovated Warwick Village pool. Wish there were more programming on weekend for pre-k.
- Landmark area. Need more lights and resurfacing.
- Litter around community areas.
- Please put more lights on outdoor courts.
- Enforce dog rules and trash pickup.
- More activities for families with smaller children in the evening/weekends.
- Keep the parks clean and well maintained.
- Much better fields for baseball and soccer, should be turf. Would be great if we had a real gymnastic program in Alexandria. Have tried Arlington but can't get in. It is a missed opportunity for kids with the talent.
- Affordable kayak/canoe rental would be awesome.
- Mac and Tameka in the recreation dept. do a great job working with families in youth sports leagues. Maintaining good facilities, finding good coaches and refs, managing a challenging schedule where the field's resources are often needed by multiple groups. Alexandria should add a gymnastics facility. The number of families who give money to Arlington and Fairfax to get into their gymnastic program is unfortunate and due to a lack of facilities in Alexandria.
- Please remove weeds that grow through the fence on Van Dorn Ave. please cover the primary roots of the old trees with sil and not humus and organic matter that damages the roads.
- Please consider offering an early morning adult swim at the old Town pool.
- Alexandria is doing a wonderful job and my wife and I are proud to be residents of this city.
- Need to do a better job of advertising services and opportunities.
- Rather than the Long Bridge Park facility, we'd prefer more local pools, like Warwick or Del Ray pool.
- Stop using herbicides in the parks, less asphalt, more open space.
- I didn't see activities around the 22304 area.
- Love this city! Continue to invest in infrastructure so that we continue to thrive.
- Improve/paint bridge at border of Arlington/Alexandria.
- The bike paths are the reason my family lives in Alexandria. We use them for commuting, general transportation and pleasure.
- Love to hear about your partnership with Arlington but I would rather you work on biking trails and transportation than swimming pools.

- The dog parks should be fenced in.
- Stop putting in athletic fields, kids need to play on grass not used tires/plastic.
- Improve community garden availability. The wait list is years long!
- 50 meter all year pool with lap times.
- Please consider shading your toddler playgrounds wither using a tent or using trees. There should also be more seating around toddler play areas.
- More group tennis instruction for adults on weekends.
- Ben Brenman park locks the ball fields, especially soccer. We Must find a way to let people play there for free.
- WE need a state of the art indoor rec center including an ice rink.
- Please do a better job than Arlington County.
- Improvements should be made to Lynhaven Park and Ruby Tucker Park. They should also be expanded. The water sprayers at the new Potomac Yard Park should be improved to rival other regional water sprayers. Presently the sprayers are weak and so is the design. The proposed ice rink at Potomac Yards should be built and the city should sponsor lessons similar to swim lessons already offered.
- I also think purchasing land to preserve natural areas is important. We really need to fix up the pools /tennis courts and build new ones. WE seem to have plenty of bike paths . Keep up the hard work and thanks for asking for our input!
- The west end is generally underserved. We need safe places to bike, run and walk. I was disappointed last year when our local dog exercise area was disassembled. Ben Brenman park is the jewel of the west end and it falls sadly short of its potential. We should have more public art .Alexandria's dog exercise areas, recreation centers, parks, swimming pools, etc. fall well short of the standards set by our neighbors. In fact, I get more use out of Arlington parks and dog exercise areas . Arlington has an enviable community garden program. Fairfax has many great swimming facilities that I use year round.
- You all do a good job. Please keep growing the farmer's market. Make it year round. Thanks.
- Upgrade existing parks and facilities, pools, dog parks. Curtail development and create new parks.
- Del Ray does a good job of providing cultural activities, old Town does too. More activities such as what they put on would be great.
- Would love it if some of Alexandria's parks looked like Rocky run park in Arlington.
- Please help fund the Maury school playground initiative.
- Alexandria needs to improve the quality of the pools and the recreational facilities , adding indoor track at Chinquaquin.
- We need a community pool.
- I think public pools and public outdoor parks space are very important and very much add to the quality of life.

- Before new parks are created, please maintain existing parks.
- Please repair African American Heritage Park, it is in dire need of upgrade.
- Consideration should be given as to why the city supports adult gym facilities when there exist so many private health clubs. I'm happy to support youth and disabled but am irritated when I see the affluent being subsidized.
- Congratulations on the idea of proposing to partner with Arlington. Save money!
- I lived in Arlington for 38 years and would still live there if I could afford to. I still return there to use parks and rec.
- You guys do a great job! Keep it up.
- Great place to live, but the price of homes is unusually high.
- We enjoy the youth swim program but there are too few classes and signing up usually means getting wait listed. Love Ben Brenaman Park play areas and Chinguapin Pool.
- Would love to see event/performance venues within walking distance in Old Town.
- Parks are unkempt, lighting is inadequate. Median trees are old and overgrown, crosswalks and sidewalks are in disrepair. No public spaces for gathering/eating. Pedestrian safety is needed, Cross walks in Del Ray are a major concern.
- Sidewalks- there is no decent sidewalk even for a mile.
- Recently visited a Loudan County park, it was superior to any park in Alexandria.
- Need small picnic area near King Street in Old Town, just a few tables/chairs would go a long way.
- Attention is needed in the West End. Compared to the city facilities in other areas in city, the West end is neglected.
- Please complete the repairs on the Warwick Village pool. Alexandria's lack of swimming pools is very frustrating. We have to go to DC or Fairfax county to use theirs.
- Swimming pool in Del Ray needs to be refurbished and opened.
- A welcome kit to new residents showing how to connect with the city to learn of events, FB page, etc.
- A nice membership only outdoor pool would be nice as well as walking/bike paths that are well lit and cleaner parks.
- More senior programs like Arlington 55+.
- Really enjoyed tons of trucks event!
- New Potomac yard Park is great, could use bathrooms. The pit and 4 mile run park playgrounds could be improved.
- Bike lanes in Old Town would be nice, more skate parks.
- Later hours at Chinguapin Rec ctr needed in summer for working residents.
- Open space is the priority.
- City does not have one swimming pool.
- The playgrounds in Del Ray are awesome. The dormant small pool in Del Ray should be repurposed. Public mural, spray park, benches, make it a gateway to Del Ray.

- Beautification effort in West End area is greatly needed.
- More elder exercise during the day, like Tai Chi, yoga.
- Improve grass areas with proper maintenance.
- Would like to see park space better utilized by adding and maintaining courts(tennis) and fields that people could actually use.
- More pools would be great idea.
- I'm disappointed with the lack of parks/trails and green space. Other than the Potomac River waterfront/bike trail, there isn't much open space. I typically have to drive out of the city.
- We would like to have some activities in many centers as some of us are not able to go to different centers for other activities. The fee for the adult fitness is crazy. We can't afford it. It is even more expensive than private gyms.
- Make and keep Alexandria beautiful.
- There is no bathroom at the new Potomac Park.
- I think it is critically important for the city to improve the trails/roads/paths where bikes, cars runners, dogwalkers compete for the space. It is an accident waiting to happen. There is constant tension between the various types of users.
- Need to fix more pot holes in the street.
- Public art, more fitness venues, trails, land.
- Focus on supporting the city of Alexandria museums and the educational programs.
- Would love to see some indoor public or small fee tennis courts. Also a court with a wall would be great.
- The roads need to be improved, fix pot holes.
- This city needs beautification. More events, senior volunteer opportunities.
- Mailing a brochure to households would help make people aware of your programs.
- In general, keeping the city much cleaner.
- The highest priority for our family is good schools, parks, playgrounds and swimming pools.
- Biking trails in Landmark area, walkability, diving wells.
- In old Town, the Potomac is filthy, what a disgrace.
- You are doing a great job. Alexandria is an awesome city and I would like my children to continue living here.
- My focus is on developing better indoor facilities because during winter it is not possible to do anything outside.
- More science/nature youth programs for school break camps.
- We really like the colorful graphic designs on the transformers on Duke St
- Alexandria is far ahead of most cities in parks and recreation.
- Please reopen Warwick Pool.
- You guys do great work. Thank you.

- I love the West End Farmers Market. It would be great if it could expand and include food trucks.
- Warwick Village pool reconstruction needed in our neighborhood. Offer more concerts for families.
- I feel the city of Alexandria is doing a great job by supporting more of the Arts and education programs.
- We need corn hole pits.
- The city must have a regulation 25 yard indoor swimming pool. This is vital for adults and high school swim programs.
- I have looked over this survey which seems quite complete and useful for purpose intended. Over the past many decades, my family and I have used many of the offerings available.
- More water fountains on bike/running paths.
- Thank you for the work you do.
- Do a better job taking care of what you have , more facilities that are easier to access.
- This is a long survey, shorten it. Demolish Landmark Mall, redevelop it. Improve indoor facilities. The gyms in Arlington are nicer, more abundant and cheaper.
- Please restore Warwick Village pool. This is a valuable public facility.
- African American Heritage park steps have been in shambles for months now with no plans for repair.
- One of the main reasons we live in Alexandria is that we love all the facilities and programs available. They make Alexandria an amazing place to live.
- Please place several trash and recycle bins in athletic fields .
- In addition to biking/walking trails, we need more trails/space for joggers and runners.
- I would love to see more space dedicated to community gardens and parks. This is a wonderful place to live.
- Need performing arts space please.
- We love city park, Potomac Yard, for its walking, open space, etc. It would be helpful to have shade, particularly by the playground. We recognize the trees are young, but some sort of shade or covering by the playground would be appreciated.
- It saddens me that the Collasanto pool was closed, I really enjoyed this neighborhood pool.
- Looking forward to the planned renovations of the Warwick pool, we missed being able to use it this summer.
- Just moved, we like the city and what it has to offer.
- Patrick Henry rec is in my district, but due to the condition and inadequate equipment, have to travel to Ramsey. Q13 did not include football for youth.
- For us, dog parks and running/walking trails are key. Thanks for doing the survey.
- Thank you for seeking the input of constituents.

- I think department does a pretty good job.
- You should build an indoor velodrome and become the bicycle capital of the mid-Atlantic, also you would be the only place for that is we get the Olympics in DC>
- More/safer bike travel. Better options for West End.
- I have seen some improvements recently, some effort in how the city government works to improve the look and feel of the city for all of us. Long way to go.
- Cat café, like the one in Georgetown.
- Fees for field use and gymnasium use are very expensive, where are the art programs for kids? Why are city facilities going unused and underutilized?
- We pay taxes and are tired of the city focusing on those that don't, public housing.
- Would love to see city create something similar to Clarendon Shopping/eatery area.
- There are not enough baseball fields(quality fields) in the city to support the demand.
- I want to tell you how awesome the Mt Vernon Rec in Alexandria is. Their after school/summer camp programs are wonderful. The staff goes out of their way and is great.
- Need better pools.
- Please develop more opportunities near the Beacon Hill/Groveton neighborhoods.
- Prefer Patrick Henry Rec Center become a community rec center like promised. Dedicate funds for a marina with regards to waterfront development. The only people that could even use Long Bridge would be old town because of traffic. Start paying attention to the West End !
- Please get some sort of shade at Potomac Yard Park. No Shade!!
- WE need a new pool in Del Ray. Swimming is fun and a life skill. It is also politically meaningful in Alexandria where children have died because of a lack of swimming facilities. The public needs to be reminded of the importance of learning to swim.
- Grass is not being mowed enough. Trees need proper pruning and care to be healthy after losing branches in storms. Not being treated by arborist.
- Need another city pool or reopen Warwick Pool.
- Desperate need for more open space.
- Improvement to the West End. Trail to Van Dorn metro made safer and pedestrian friendly.
- More skate parks, more unique recreational activities. More sledding hills, better playgrounds, more fishing, water access
- The cost to use most of the facilities is too expensive.
- Please don't ignore West Alexandria.
- Stop with the outdoor fitness equipment. Just stop. And no more dog parks. Empty the trash more often.
- I think you are doing a good job . Do something about the roads and the traffic issues.

- Registration payment system problematic. The staff at Chinguapin pool very rude and inflexible and unreasonable.
- Bike trails across the city are terrible, we look like a joke compared to other cities.
- No dedicated ADA programming for disabled residents other than therapeutic recreation. Forced to utilize Arlington County and Fairfax County. Chinguapin is NOT ADA compliant. Grossly insufficient changing areas (family). Playgrounds are grossly insufficient. No disabled playground for older children. Indoor swimming pool is okay but too busy/crowded- pool should not be used by swim clubs. We have horrible nature centers. Why wasn't this survey online?
- Reopen or build outdoor pool please.
- More resources for park and facility cleaning and maintenance seem to be required.
- Need more information
- Safer existing walking/hiking and biking.
- Parks and open space are critical to the success of a community for building community, culture and long-term economic growth.
- Baseball fields should be maintained, fields should be developed and open for use. There is no place for teens to play baseball. I'm sick of finding the baseball fields padlocked! As a taxpayer paying very high rates, my kids should be able to get on a regulation baseball field.
- Strongly support efforts indoor pools as opposed to partnering with others.
- Please keep improving.
- The ability to store and use personal watercraft near waterfront . Georgetown receives over 700 a year from us, bring to Alexandria.
- Take care of facilities you already have before making more.
- Great department.
- Need is a really strong word for questions 8 and 10 and will probably skew your results.
- King Street needs to ensure the area is attractive and it needs to be maintained and watered.
- Why not do this online?
- We love the open space. Keep it coming.
- Do not build playground areas near schools if the school has no control during school hours. Bad decision to build the playground so close to Samuel Tucker that is for public use.
- I wish to use swimming pool but even for senior, the price is high. I would rather go to the beach. I only use nonprofit organizations. Alexandria is too expensive and hardly any affordable services.
- Monroe Dog Park-improve. Indoor tennis or driving range.
- Please look at Arlington's community center as a model.
- Support for the youth football program should continue.

- I had a difficult time signing up for the city's co-ed soccer league as a single. I have had very positive experiences in the co-ed soccer league. We attend two farmers markets weekly and love the city's compost program at them. We enjoy First Night on New Year's Eve and the market square tree lighting and concert.
- Trails need cleared during winter and should be lit from 5:00am-10:00pm.
- More hockey rinks.
- We appreciate the city parks for walking and biking!
- I think you could save time and money by collecting email addresses and sending this out electronically.
- What's your deal with Z?
- Look to North Arlington as an example namely in the Lyon Village neighborhood.
- I wish there were good after-care for sixth graders!
- Create an indoor exercise swimming pool for elderly and disabled people. Thank you.
- Dog exercise areas without fences are a waste, they are rarely used. Would be amazing if you fenced Braddock/commonwealth area.
- Consider conducting survey on line.
- Please update and expand Chinguapin Park.
- I don't know where the new proposed pool location is, but I'd rather go to Chinguapin and improve that, less time to travel.
- We have many city buildings, let's use wisely. Fill them with programs, advertise programs. What can we learn from other cities?
- Focus on trails, paths, parks and nature.
- Get more recycling cans at neighborhood parks.
- The parks are nice but lack shade and working water fountains. It would also be nice to have access to bathrooms that are unlocked(Jones Point Park has bathrooms that are often locked and the water fountains do not work). Rocky Run in Arlington is an example of a park I'd love to have in Alexandria.. Little kids need access to bathrooms and shade.
- I love the idea of new /improved parks and rec.
- We need more pools in Del Ray. More venues for performing arts.
- Closest services to me, way too far, how about something east of Washington St.
- We need a gymnastics facility
- Markers on walking trails to indicate miles.
- An affordable space for large family/friends gathering.
- Please convert the commuter parking lot at Hoof's Run (E. Chapman St/Commonwealth Av) to open space. It is used by out-of-state and non-Alexandria taxpayers and other commercial drivers. It should be converted to open lawn to improve the park. Totally7 wasted land as a parking lot. Thank you for your attention to this matter.

- The pond at Bob Brenman Park is filled w/litter to the point of being disgusting. Please put signage in a prominent place on the bridge and enforce a penalty for feeding fish and dumping garbage into the pond.
- Please consider opening the Warwick pool again! Also, we were supposed to get basketball hoops at Raymond Park over a year ago and we have nothing!
- Stop the intense, dense development.
- More swim facilities and at a least a 500 meter pool for competitive events and more and improved park space w/playground equipment. Safe, well equipped gyms for youth to play basketball, etc.
- We have no swimming pool (outdoor) for our neighborhood. We need a summer swimming location!
- Have the Alex-transport start early on Sunday.
- It is unfortunate that my mother, an Alexandria resident, has to go to Arlington to participate in activities for senior adults because Alexandria does not offer. It would be great if Alexandria would partner w/Arlington when resources are scarce. I like the idea of partnering w/Arlington w/regard to the swimming pool facilities. We should try to work w/other jurisdictions and have a reciprocal arrangement like we have for library services. Let's pool our resources.
- The Long Bridge park location is very inaccessible and inconvenient given traffic and lack of transit! Alexandria needs to invest in pool expansion or new pool! Alexandria needs a gymnastics program like Arlington's Barcroft facility! Alexandria needs more waterfront access for canoeing, paddle boarding, kayaking, etc.!
- Our area needs a pool. A place where our children can relax and get to know other kids in the neighborhood while relaxing in cool water.
- You are doing an excellent job. I wish I had time to participate in everything. God bless you. Great job.
- Mosquito control is not being addressed within the city. Slow-growth and lower taxes is preferable to rapid and higher!
- We are both bike commuters; support trails and capitol bike share, farmers markets, community gardens and other yuppie things.
- Recreation needs to be free for the old people that live in the city of Alexandria.
- Alexandria's dog parks are very inferior. I just can't understand why Alex is so anti-dog. Not any poop bags or drinking facilities provided anywhere!!! (Except ones provided by citizens. Alex waterfront.)
- "West End" parks, medians, roads, and facilities need improvement equal to the rest of the city. I have watched the West End get ignored my entire life.
- Find a way to accommodate bikes along the waterfront, not Royal Street.
- No money for aquatic center- that is a terrible idea.
- More dog parks

- Mostly my family needs free or inexpensive places to burn energy in the winter. The rec centers are great but mostly used for sports and leagues or classes on weekends and after school leaving us very few options to get out and run. Landmark mall play space is small and overcrowded. It would be great for the city to invest in indoor courts open mostly for public use. Thanks for asking.

**Section 8**  
***Cross Tabular Data By***  
***Age***

---

**Q1. Have you or members of your household visited any City of Alexandria parks during the past 12 months?**

N=656

	Age of respondent					Total
	Under 35	35-44	45-54	55-64	65+	

Q1. Have you visited any City parks during past 12 months

Yes	85.5%	90.4%	87.0%	73.9%	78.8%	84.6%
No	14.5%	9.6%	13.0%	26.1%	21.2%	15.4%

**Q7. The City of Alexandria Recreation, Parks, and Cultural Activities Department is considering a proposal to partner with Arlington County on development of a 50 meter pool at Long Bridge Park. This would be done instead of the expansion of the facility at Chinguapin Park. Alexandria residents would be able to use the Long Bridge pool at Arlington County resident rates. Please indicate your level of support for the City of Alexandria partnering with neighboring jurisdictions.**

OFFICE OF THE CITY MANAGER

301 King Street, Suite 3500  
Alexandria, Virginia 22314-3211

MARK B. JINKS  
City Manager

703.746.4300  
Fax: 703.838.6343

*A Few Minutes of Your Time Will Help Make the City of Alexandria a  
Better Place to Live, Work and Play!*

Dear City of Alexandria Resident:

***Your response to the enclosed survey is extremely important...***

The City of Alexandria Department of Recreation, Parks and Cultural Activities is conducting a Park and Recreation Needs Assessment Survey to help establish priorities for the future development of parks, recreation, cultural facilities, programs and services within your community. Your household was one of a limited number selected at random to receive this survey, therefore, it is very important that you participate.

***We appreciate your time...***

This survey will take approximately 10 minutes to complete and each question is important. The time you invest in completing this survey will aid the City of Alexandria in making decisions that will enrich the future of our community and positively affect the lives of its residents by responding to needs that you help to identify. With your input, we will continue to provide and improve vibrant, safe, and attractive parks and facilities for all citizens to enjoy.

***Please complete and return your survey within the next two weeks...***

We have selected Leisure Vision/ETC Institute, an independent consulting company, as our partner to administer this survey (visit [www.etcinstitute.com/LV.aspx](http://www.etcinstitute.com/LV.aspx) for information on Leisure Vision/ETC Institute). They will compile the data received and present the results to the City. **Your responses will remain confidential.** Please return your completed survey in the enclosed postage-paid envelope addressed to ETC Institute, 725 W. Frontier Circle, Olathe, KS 66061.

If you have any questions, please feel free to contact Dana Wedeles in the City of Alexandria Department of Recreation, Parks and Cultural Affairs at 703.746.5491 or [dana.wedeles@alexandriava.gov](mailto:dana.wedeles@alexandriava.gov). The Park and Recreation Needs Assessment Survey is a tool that will benefit all City of Alexandria residents. Please take this opportunity to let your voice be heard!

Sincerely,

Mark B. Jinks  
City Manager

**Si usted tiene preguntas o no habla ingles, por favor llame al 1-844-811-0411. Gracias.**

The City of Alexandria is committed to compliance with the City's Human Rights Code and the Americans with Disabilities Act. To request a reasonable accommodation or to request materials in an alternative format, call the Department of Recreation, Parks and Cultural Activities at 703.746.5491 (TTY 703.838.4902).

**Community Interest and Opinion Survey: *Let your voice be heard today!***

The City of Alexandria Department of Recreation, Parks, and Cultural Activities would like your input to help determine recreational facilities, programming and open space priorities for our community. This survey will take 10-15 minutes to complete. When you are finished, please return your survey in the enclosed postage-paid return envelope. We greatly appreciate your time.

1. **Have you or members of your household visited any City of Alexandria parks during the past 12 months?**  
 \_\_\_(1) Yes [Please answer Question #1a.]  
 \_\_\_(2) No [Please go to Question #2.]

- 1a. **Overall, how would you rate the physical condition of the City of Alexandria parks you have visited?**  
 \_\_\_(1) Excellent  
 \_\_\_(2) Good  
 \_\_\_(3) Fair  
 \_\_\_(4) Poor

2. **Have you or other members of your household participated in and/or attended any programs, including recreational, cultural or special events, offered by the City of Alexandria during the past 12 months?**  
 \_\_\_(1) Yes [Please answer Questions #2a, #2b, and #2c.]  
 \_\_\_(2) No [Please go to Question #3.]

- 2a. **Approximately how many different recreational programs, cultural programs or special events offered by the City of Alexandria have you or members of your household participated in and/or attended over the past 12 months?**  
 \_\_\_(1) 1 program  
 \_\_\_(2) 2 to 3 programs  
 \_\_\_(3) 4 to 6 programs  
 \_\_\_(4) 7 to 10 programs  
 \_\_\_(5) 11 or more programs

- 2b. **Please use a scale of 5 to 1, where 5 means “Very Satisfied” and 1 means “Very Dissatisfied,” to rate your satisfaction with the following program services provided by the City of Alexandria.**

<u><b>How satisfied are you with:</b></u>	<i>Very</i> <u>Satisfied</u>	<u>Satisfied</u>	<u>Neutral</u>	<u>Dissatisfied</u>	<i>Very</i> <u>Dissatisfied</u>	<i>Don't</i> <u>Know</u>
(A) Times programs are offered.....	5.....	4.....	3.....	2.....	1.....	9

**This concludes the survey. Thank you for your time.**

Please return your completed survey in the enclosed return-reply envelope addressed to:  
ETC Institute, 725 W. Frontier Circle, Olathe, KS 66061

Your responses will remain completely confidential.  
The address information to the right will ONLY be used to help identify areas with special interests.

**Additional comments that Leisure Vision received by mail from residents who were not part of the random survey sampling.**

- West End is often ignored
- Waterfront should be developed
- #1 50-m indoor pool w/diving boards, etc.
- Great to also include water park features like Prince Georges Sport & Learning Complex
- Let's fix Witter's turf field ASAP!
- Outdoor archery range is needed. Closest is P.G. County....
- Don't spend our tax dollars in Arlington! We want get a fair share
- Build. New, indoor 50-meter pool and replace Chinguapin Pool within City budget 2017. Use Myrtha Pool as the contractor. 1) builder. 2) Designer.
