PARK & RECREATION COMMISSION UPDATE JUNE 15, 2017

Community Meeting 2

April 27, 2017 at 7 p.m. - RPCA Operations Building

- Need more aquatic centers in Alexandria since Chinquapin is not being expanded - swimming is one of the few totally inclusive activities that can be enjoyed by all generations
- Indoor fields were suggested by some
- Other attendees felt that there are enough sports field venues in the city
- Aquatic Center Plan option received the most community support, followed by keeping the water park with limited changes, then keeping the water park with major changes.
- For the exercise that involved purchasing park elements, the lower cost elements received significantly more “purchases” (between 5 and 17) - such as walking paths, improved maintenance, improved vegetation maintenance, picnic pavilions, etc. Large ticket items such as parking deck and a rec center received minimal votes. Aquatic center - the most expensive option, received 5 votes.
- Alexandria Soccer provided a summer/winter plan for the future park
- Community member from Townes at Cameron Parke sketched their own concept.

PARK & RECREATION COMMISSION UPDATE JUNE 15, 2017

Alexandria Earth Day Celebration

April 29, 2017 at 10 a.m. to 2 p.m. - Lenny Harris Memorial Fields

- Current park is fun
- Current park is too “pricey”
- Water park with major structural changes was the most chosen plan, followed by a Open Space / Natural Area park
- Natural areas and Water Park (current use) tied for top priority ranking
- Walking paths and recreation center were second most prioritized elements
- Add wind turbines and solar panels
- Make the park alternative transportation friendly (bus, bike storage, etc.)
