

Zipline connected playground + park

Please intersperse trees

great idea!!!

no ladder plains

This is a cool idea and I like it

Wow! that's just what!

adding beams and wedges (45°, 20° top beam)

tree/bush

Billy why don't you go play
why don't you play with me
okay I will

Smaller height for rail
2-2.5ft

spreading out rails

tree/bush

walling surrounding the entire park (1ft)

11/11
