Fort Ward Park Capital Projects

Accessible Parking Space Improvements

- At least one accessible van space per parking bay
- Each space must comply with ADA, including signage striping, and maximum allowable slopes (less than 2%)
- Improvements to front gravel lot, museum, Area 1, 2, and 5, and amphitheater. Work coordinated with other planned improvements (picnic shelter, playground)
- Design of gravel lot, museum, Area 1, and amphitheater are 50% complete. Construction anticipated in 2020.
