Re: Eisenhower Avenue Widening and Roadway Improvement Project
VDOT Project No. U000-100-135

Dear Sir/Madam:

The City of Alexandria Department of Transportation and Environmental Services (T&ES) is continuing the design process on a roadway improvement project on Eisenhower Avenue between Mill Road and Holland Lane. The project consists of constructing an additional left turn lane on westbound Eisenhower Avenue at Mill Road, streetscape improvements, and removing the traffic circle at Holland Lane and constructing a "T" intersection. The improvements will increase capacity and safety through the corridor. These improvements are consistent with the East Eisenhower Small Area Plan.

The City is holding a design public hearing on Thursday, April 4, 2013 at the Lee Center, in the Gold Room located at 1108 Jefferson Street, Alexandria, Virginia from 7 pm to 9 pm. A brief presentation will begin at 7:30 pm with a question and answer period to follow. The approved environmental document, 60% design plans and other information will be on display for your review and comment. The project plan can be viewed at City Hall, 301 King Street, Room 3200 or for additional information visit the Eisenhower Avenue Widening and Roadway Improvement Project webpage at <http://alexandriava.gov/tes/info/default.aspx?id=11248>.

Written comments can be submitted at the meeting or to: Lisa T. Jaatinen, P.E., 301 King Street, Room 3200, Alexandria, VA 22314, or lisa.jaatinen@alexandriava.gov by April 18, 2013. Please reference "Eisenhower Design Public Hearing Comments" in the subject line.

The City of Alexandria ensures nondiscrimination in all programs, services, and activities in accordance with Title VI of the Civil Rights Act of 1964. Call 703-746-4027 at least 48 hours in advance of the meeting date for special assistance or information. If you need more information or special assistance for persons with disabilities or limited English proficiency, contact Kathleen Leonard at 703-746-4027 or TTY/TDD 703-838-5056.

Please share this information about the meeting with your organization. If you have any questions, please call 703-746-4053.

Sincerely,

Lisa T. Jaatinen, P.E.
Civil Engineer IV
