John Hill, AlexRenew Board		Caitlin Feehan
Patti Turner, AlexRenew Board		Justin Carl
		Sheeva Noshirvan
		Bill Dickinson, AlexRenew Board

The meeting convened at 5:35 p.m.

The highlights of the presentation included:

- An interactive virtual tour of a tunnel boring machine (TBM).
- A summary of the proposed AlexRenew rate adjustments for FY 2020 and FY 2021.
- An update on the RiverRenew Stakeholder Advisory Group (SAG) which included a summary of the first two meetings held in February and March.
- A technical update that reviewed the environmental studies conducted as part of the construction haul routes and rates.
- A permitting update on the Environmental Assessment (EA) and Development Special Use Permits (DSUP) needed for the Program.
- A community engagement update that highlighted outreach efforts around the proposed AlexRenew rate adjustments, as well as a look ahead to the community Listening Sessions as part of the 30-day comment period for the EA. Ms. Pallansch asked the group for feedback on the community outreach for the upcoming Listening Sessions on the EA release.

The following is a summary of the questions asked by the Workgroup and the answers provided by City and AlexRenew staff.

- **Councilman Wilson asked if the loans needed to fund RiverRenew is structured differently from traditional borrowing methods.**

Ms. Pallansch explained that one potential funding source is through the Virginia Clean Water Revolving Loan Fund (VCWRLF) which provides a lower rate that is typically below market rates.

- **Councilman Wilson asked where the excavated soil will be hauled to.**

Ms. Pallansch indicated the excavated soil would likely be hauled to a landfill to be used as cover.

Other discussion points:

The next Workgroup meeting will be Wednesday, July 24, 2019 at AlexRenew headquarters.
